Mr. Atif Saeed

Dear Colleagues,

This gives us immense pleasure to announce upcoming Symposium of NICH. The theme of the symposium is “Non Communicable Diseases: Challenges in Resource Poor Countries”. This is a great opportunity to learn, share and present newer preventive and controlling strategies in context of child health especially the non communicable disease. This subject has been incorporated in the “Sustainable Development Goals” to be achieved by 2030.

There will be a rich scientific program which includes pre-symposium workshops, keynote address, plenary talks, video link sessions, subject related seminars, nursing symposium, free papers and posters sessions. Eminent speakers and experts from Pakistan and other countries shall participate and share their experiences.

We are looking forward to welcome you at our symposium.

Best Regards

Prof. Syed Jamal Raza
Patron & Director

Prof. Khemchand N. Moorani
Chairman
Scientific Committee
